### **Technique Directions**

You will need at least two stamps for this technique. A bold solid image stamp and a smaller one to create the background.

1. Randomly stamp images on Whisper White card base. For this card, the background is stamped with the small flower image from Boho Backgrounds in Melon Mambo. Completely cover the entire background.
2. Stamp large background image over top in Versamark. Cover with clear embossing powder and heat until embossing powder is fully melted.
3. Take your brayer (or a sponge) and a dark color (for this card Rich Razzleberry) and completely cover your background. Take a Kleenex and wipe any ink off embossed image. The background should now show through the large to create your emerging color.

### **Finishing Touches**

1. Add Melon Mambo ribbon to stamped panel with SNAIL as shown. Tuck one edge under to get a clean edge.
2. Stamp large flower image in Regal Rose and punch out with 1 3/8 circle punch. Set purple brad through centre of flower, and then attach to the middle of the Medallion with Stampin' Dimensionals.
