- **Accessories:** Basic Pearls (119247), Paper Daisies (119243), Pear Pizzazz Poly Stitched Ribbon (119265), SNAIL (104332), Stampin' Dimensionals (104430)
- **Tools:** Big Shot Die Cutting System (113439), Vintage Wallpaper Textured Impressions Embossing Folder (120175), ½ inch Circle Punch (119869), Itty Bitty Punches (118309), Sanding Block (103301), Sponge Daubers (102892)

Cardstock Dimensions for this Project

- Concord Crush Cardstock
 - Card Base: 8.5 x 5.5
- Concord Crush Designer Series Paper
 - Mat for Embossing: 4 x 5.25
- Scrap for centre of flower
 - Blushing Bride
 - Pear Pizzazz

Technique Directions

Embossing folders with a larger pattern are best for this technique.

1. Emboss Designer Series Paper using the Big Shot.
2. Lightly sand raised part of the paper to reveal the white core.

Finishing Touches

1. Fold card base in half.
2. Attach ribbon using SNAIL to embossed panel and then attach to card base.
3. To color paper daisy gently daub Blushing Bride Classic Ink to get desired color.
4. Punch Pear Pizazz Circle and Blushing Bride Flower, layer in middle of daisy, and then attach on top of ribbon using SNAIL.
5. Top off with a large Basic Pearl.
